**MIDDLE SCHOOL ONLY:**

If your daughter is taking an Upper Level Math, they will take the exam with the Upper School. Electives will be held as normal.

**UPPER SCHOOL ONLY:**

Students only need to come to school if they have a scheduled exam. Some classes may only have a mid-term paper or project, but no exam thus the students are not required to be on campus. Also, many students may not take a particular subject, for example, foreign language, therefore they would not be required to be on campus during the foreign language exam.

Please stress to your daughters the importance of sleep, exercise and nutrition. If your daughter is sick and unable to take her exam, please contact Shannon Van Why.
